US 6,403,465

Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant's representative suggested claim changes to claim 1 that the examiner felt would not read over the cited art.
Applicant's representative suggested claim changes to claim 13, that would disregard US 6,403,465 as a 102, but
further search and consideration would need to be performed. The examiner explained that she erroneously indicated a
rejection for claims 25 and 26 when they should've been indicated as possibly being allowable and objected as
depending upon a rejected base claim.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
